

# Using **QUICKCHECK** MATH is as easy as 1, 2, 3!

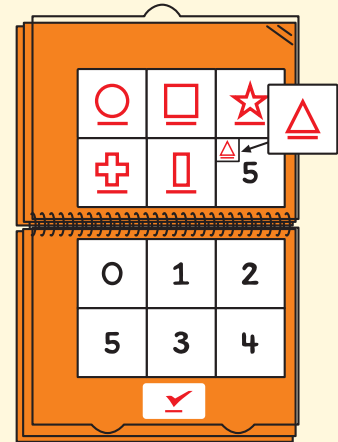

## 1. Match

Open book and choose an activity.

Put empty plastic case over book.

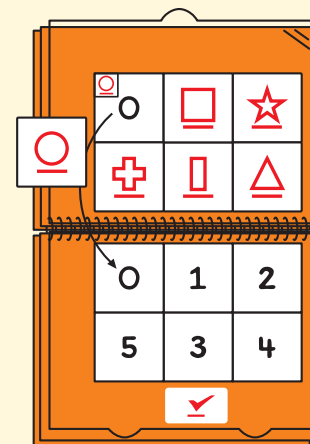

On top grid, place tiles over matching icons.

## 2. Think & Play

Lift and reveal the image underneath each tile.

Transfer each tile to its corresponding image in lower grid.

## 3. Check

Close case cover.

Flip case up and check that pattern matches answer key.
